

MATERIAL SAFETY AND DATA SHEET

SCITECK® Diagnostics, Inc.

PO Box 562, Arden, NC 28704 PH: 828-650-0409 FAX: 828-650-2735

SECTION I - IDENTIFICATION AND HAZARD COMPONENTS

CATALOG #: 120

NAME: MLD (Multi Level Drug) Control Set (Levels 1A, 1B, 2A and 2B)

Human source material. Handle as if capable of transmitting infectious agents.

No hazardous chemical present in concentrations at or greater than 1.0 %

No carcinogen present in concentrations at or greater than 1.0 %

SECTION II - PHYSICAL / CHEMICAL CHARACTERISTICS

Description: Liquid solutions, clear and colored

SECTION III - FIRE AND EXPLOSION HAZARD DATA

Non-applicable

SECTION IV – IDENTIFICATION and REACTIVITY HAZARD DATA

Non-applicable

No reactivity hazard

Hazardous polymerization: will not occur

Stability: stable

Incompatibility: none known.

Non-Flammable

Conditions to avoid: not established.

OSHA Hazards

No known OSHA hazards

Other Hazards which do not result in classification

Human source material. Handle as if capable of transmitting infectious agents.

Not a dangerous substance or mixture according to Globally Harmonised System (GHS).

SECTION V - HEALTH HAZARD DATA

Effects of overexposure:

Chemical, physical, and toxicological properties are not established for this material. Please handle with the precautions established by good laboratory practices.

Acute effects:

May be harmful if ingested.

May cause skin and eye irritation.

First Aid:

In case of contact: flush skin or eyes with copious amounts of water for at least 15 minutes and remove contaminated clothing.

If ingested: give 1 or 2 glasses of water: call physician.

SECTION VI - CONTROL AND PROTECTIVE MEASURES

Wear gloves and safety goggles.

Steps to be taken in case of release of reagent or spill:

Wear protective gloves and clothing.

Mop up spill and rinse area with water.

SECTION VII - PRECAUTIONS FOR SAFE HANDLING AND USE

Waste disposal method:

May be rinsed down sink drain with water.

Handling and storage:

Store material at refrigerated temperatures.

Keep container tightly closed.

Avoid prolonged or frequent exposure.

Wash hands thoroughly after handling.
